

### Zweckverband „Naturpark Taunus“

We welcome you on our camping site „KAMMERFORST“ in the municipality Weilrod. The camping site should be left in a state in which you would like to find and use it as well. Every camper can ask for his doing only that much freedom, that he does not annoy or disturb other camper or the camping site. For this reason we have installed these rules for our camping site and we ask you to read these carefully and to understand them as guide to easily get along with other campers or the surrounding parties.

For the **handover of the keys** we ask you to arrange a meeting with Naturpark one week before the date of arrival phone: 0049/6171/979070.

### Rules for the camping site:

01. We accept as Campers principally adolescents under 18 Years or Groups of family starting from a group size of 5 people. Qualification for youth groups is that a supervisor with youth leader training is monitoring the group. The presence of the group-leaders has to be ensured for the whole stay.
02. The parking of cars or vehicles on the camping grounds is prohibited.
03. The campers should act considering each other. Everyone has to act in a way that he is not disturbing or endangerin others.
04. The camping grounds and its facilities, especially the sanitary installations, the cooking area and the fireplace are to be treated carefully and to be kept clean. Please note that towels, toilet paper and trashbags have to be brought along by the camper.
05. Fire may only be light in fire places that are designed for the lighting of fire. It is not allowed to collect wood or branches from the woods surrounding the camping site. The cutting of trees is absolutely forbidden. In case of continuing risk of forest fires due to weather condition, the lighting of fires can also be forbidden. Would you please use your own firewood.
06. The observance of the nighttime peace is to be noted. Activites, that take place outside of the camping grounds have to be coordinated with Mr. Frank Cernic, cernic@t-online.de or 0173-3455190.  
The use of sound polluting instruments such as generators, radio sets, loudspeakers etc. is not allowed.
07. Animals and plants are to be preserved and therefore to be left alone.
08. Bevor leaving the camping grounds, they have to be restored into flawless state. Litter is to be disposed of following the statutory provisions and the information of the groundskeeper.
09. Campers that do not follow the camping rules or behave indecent will be expelled from the camping grounds.
